30 Sec Opening

Start jump must be taken to start time in the direction indicated by the arrow. It is worth one point if successfully jumped in the correct direction; 0 points if taken in opposite direction but will not disqualify the run.

### OPENING:

- no contact-to-contact,
- back-to-back ok
- obstacles can only be done twice for points
- Cannot do any two gamble obstacles in forward sequence (can do in reverse order or go forward but not in consecutive order)

#4 finish jump is always live (opening or closing)

### CLOSING:

No refusals called in the close.

Closing Time: 16s - 20"/22"/24", 18s - 8"/12"/16" (add 3s for Select)

Dog must go over finish jump or be eliminated (0 points)

Option 1 Gamble - 10 points - handler negotiates the light square sequence:

Minimum 18 opening points + 10 point gamble = 28 points or more to qualify.

Option 2 Gamble - 15 points - handler negotiates the light circle sequence:

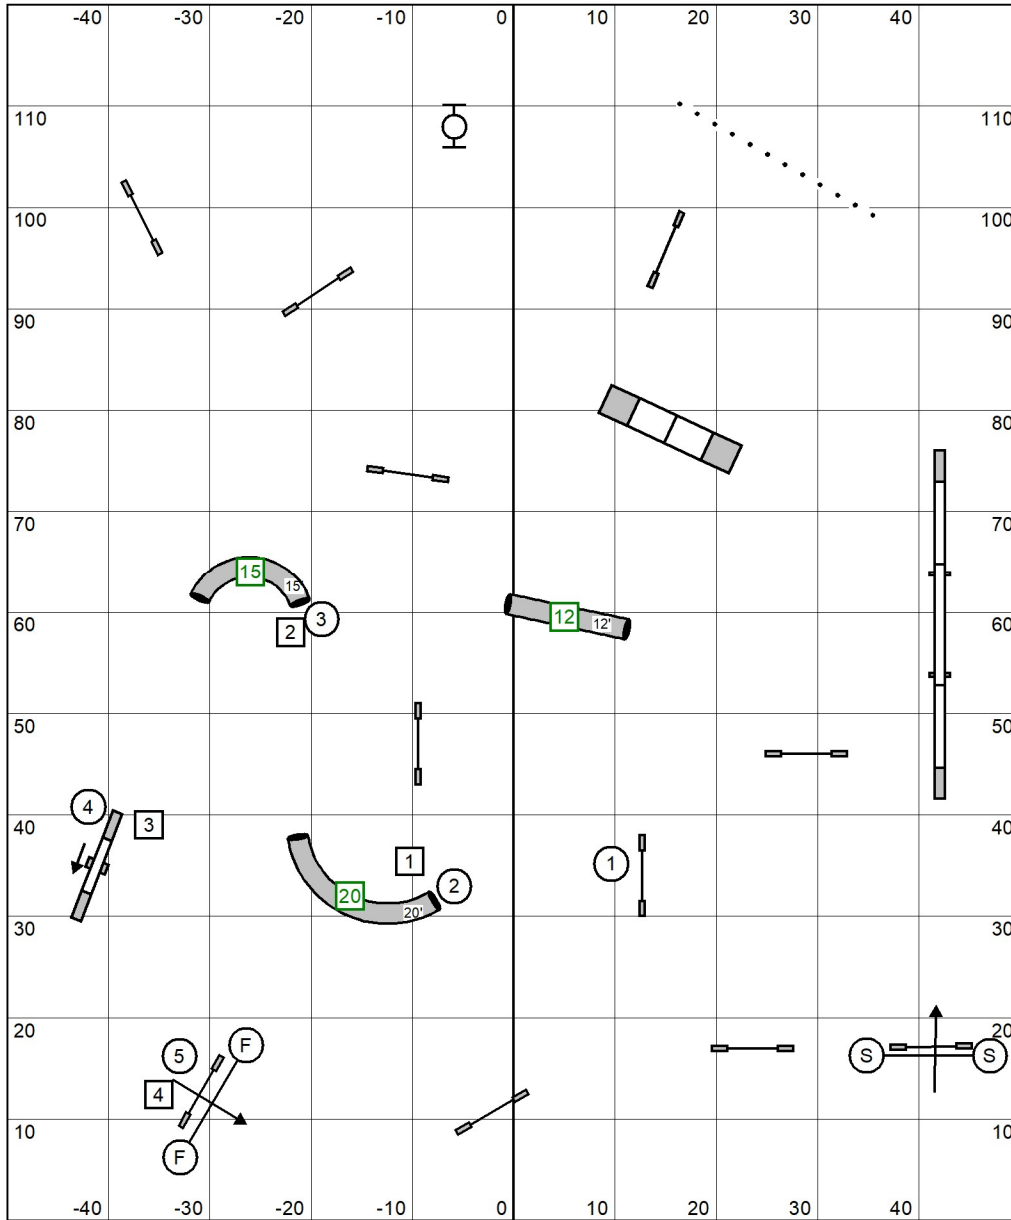

1 2 3 4 5

Minimum 13 opening points + 15 point gamble = 28 points or more to qualify.
